GUIDED MISSILE AND ASTRONAUTICS INTELLIGENCE COMMITTEE

*Com - 15*

24 August 1965

MEMORANDUM FOR: Security Officer, DDS&T

SUBJECT: Strategic Weapons Intelligence Panel (SWIP)  
Meeting at Headquarters, 8, 9 and 10 September 1965

1. At the request of the DCI, the Strategic Weapons Intelligence Panel (SWIP) is being convened at CIA Headquarters on 8, 9 and 10 September 1965. It is possible that evening sessions will be held in addition to a possible Saturday session on 11 September. Planning should include the possibility of a special meeting of USIB to hear the panel report at 1500 hours on 10 September 1965.

2. The panel is to consist of the following high-level consultants from industry and government:

Dr. Lawrence A. Hyland  
Vice President and General Manager  
Hughes Aircraft Company

Dr. John S. Foster, Jr.  
Lawrence Radiation Laboratory

Dr. Ruben F. Mettler, President  
Thompson, Ramo, Wooldridge Systems Group

Dr. George Kistlakowsky  
Harvard University

Mr. Clarence Johnson  
Vice President, Advanced Projects Division  
Lockheed Aircraft Corporation

Dr. Wolfgang Panofsky  
Stanford University

GROUP I  
Excluded from automatic  
Downgrading and  
Declassification

**SECRET**

Lt. General Waymond Davis  
Vice Commander, AFSC  
Andrews Air Force Base

Rear Admiral Levering Smith  
Director, Special Projects  
Department of the Navy

Major General Austin W. Betts  
Office of Research and Development  
Department of the Army

Dr. Charles Draper  
Massachusetts Institute of Technology

3. In addition to the briefers, attendees will include GMAIC members, other persons concerned from GMAIC member agencies, and ONE personnel. All sessions of the Panel will be conducted on an all-source basis, including Restricted Data. (A list of the Panel membership has been forwarded to  OSI Security, for checking "Q" clearances). All agencies involved are being asked to certify clearances of personnel expecting to attend the meetings to the Special Clearance Center, CIA. It is requested that the GMAIC Secretariat be notified when this listing is developed.

25X1

4. The Admin Officer of FMSAC has already obtained authority for use of Room 1A 07 for these meetings. No other room of adequate size is available. It is possible that the Panel will want to meet privately from time to time and it is requested that the Foreign Missile Space Analysis Center's conference room be approved for this purpose. The undersigned will assume responsibility for the security of the conference rooms used and will furnish agency escorts and other support as required.

5. Documents used during the meetings will be secured after hours in the FMSAC Center, which is manned on a 24-hour basis.

6. It is requested that necessary arrangements be made to allow the Panel members and other participants to enter the gates without undue delay and to check in and out of the building upon presentation of identification or identification by a CIA employee. A list of attendees will be supplied later and escorts will be furnished. If possible, arrangements should be made to keep the main entrance open during the times that the Panel is in session. I will inform you at the earliest possible time should it become necessary for the panel to convene on Saturday, 11 September.
